

Instructions of Taking the ALEKS PPL Assessment

- **Create your ALEKS account:**

- Go to www.aleks.com.
- Click “New Student? SIGN UP NOW!” in the Registered Users box.
- Follow the instructions in the handout of “ALEKS PPL Student Registration Instructions” to create your account.
The 10-character Class Code is **KPPCY-FTTGG**.
You need to pay the \$25 fee to create an account online (credit card only.)
- Save your login name and password.

- **Take a practice ALEKS Assessment (optional):**

- Log in to your ALEKS account at www.aleks.com.
- Click **Math Placement for Lakeland Students 2019, Spring, Summer, Fall 2019**.
- Click **Start** to take an ALEKS PPL Assessment for practice (up to two times).
- After finishing, a score and a pie-chart of performance in various areas of math will be provided.
- Work with the ALEKS Prep and Learning Module to brush up on lost knowledge if you desire.

- **Take the proctored ALEKS PPL Assessment on campus:**

- Sign up for taking the ALEKS Assessment at the Academic Affairs office.
- Go to the test center (Location: TBA) to take the math placement test.
- Login in your ALEKS account in www.aleks.com.
- Click **Math Placement for Lakeland Students 2019, Spring, Summer, Fall 2019**.
- Click **Start** to take an ALEKS PPL Assessment. It may take 2 hour to 2.5 hours to finish the test.
- **Please let the proctor know your score when you finish the test.**

You will be placed into a math class based on

ALEKS Score	Math Course
0% - 24%	GEN 102 Mathematics Workshop
25% – 45%	MAT 130 Intermediate Algebra
46% - 75%	MAT 162 Pre-Calculus MAT 210 Mathematics for Teachers MAT 220 Probability and Statistics MATP 221 Statistics for Psychology MAT 250 Discrete Mathematics
76% – 100%	MAT 231 Calculus I

Once the official score is received, you will not be able to take the lower level math courses.
