

SU21 On Campus Workshop Classes: Sign up Info & Instructions

Description:

- Every week, each class can attend special on-campus workshop classes led by Mr. Valdorian Cline.
- You will learn about an academic topic and communicate with your classmates face-to-face while exercising your Listening, Speaking, Reading, and Writing skills in a communicative way.
- **Note: These On-Campus Classes are **voluntary** (not compulsory); they will not affect any classroom grades.*

****If the pandemic worsens and requires LUJ campus to close, or if it is deemed in the best interest of student safety to not come to campus, then *Cline's classes will be moved online and all students will be expected to participate.***

Schedule:

- Check the schedule to see what time and day is reserved for your class every week (+**excluding non-normal class days, such as exam days, TOEFL Day, etc.**)
**IN-1 students: Please note that your on-campus class is scheduled in the afternoon, as it was not possible to schedule it in the morning.*

Signing up: Use this SignUp Genius sign-up sheet.

1. Click the "**sign up**" button next to your time and date (you can sign up for just one class at a time, or you can sign up for many classes at one time).
2. Then click the "**submit**" button at the bottom of this page.

[DEADLINE]: Please sign up **by 12pm the day before your class** to say whether you will attend the class on-campus. If you sign up, but your plans change, please contact Cline directly via email to inform him.

- The sign-up sheet will be managed by the EAP Coordinator, but Cline will also be able to see which students have signed up.
- This helps Cline to plan if he can know approximately how many students to expect to attend his class.
- If you decide at the last minute that you would like to attend but you didn't sign up, please feel free to join the class anyway. You can email Cline directly to let him know that you are planning to attend, or you can just show up if you can't email him.

Covid19 Safety Precautions:

- Large, well-ventilated classroom space
- Plenty of hand sanitizer available
- Social distancing between desks
- Temperature will be taken before entering the classroom
- Classroom surfaces will be sanitized before and after every class.
- All students are expected to follow the necessary safety guidelines and precautions (including wearing masks at all times).

****If you can't join the on-campus classes:***

- Follow your regular teachers' instructions on these days. You will be offered an alternative online class if you choose not to attend Cline's class.
- These are **not** free periods – **these lesson periods must still be spent working on classwork.**
- Attendance **will** still be taken on these days (ask your teachers about how your attendance on these days will be taken).
